

International Association of Coroners & Medical Examiners

COVID-19 Webinar

The IACME hopes that you and your families are doing well as we continue in these unprecedented times. To continue with our COVID-19 Webinar Series, the next webinar will be on **Wednesday, April 8, 2020, at 12 PM PT/3 PM ET**. This webinar will feature Lauri McGivern from ABMDI, Denver Chief Medical Examiner & Coroner Dr. James Caruso, and a member of the Centers for Disease Control and Prevention (CDC). The panelists will be available to answer your questions during the 60-minute session, including the questions posed during the last webinar. [Please register here for the webinar.](#) If you missed the webinar from last week, you can view the experts discussing the current state of COVID-19, resources, and procedure options [here](#).

IACME Webinar

Registration

The IACME continues to update the COVID-19 resource page regularly with examples of policies, helpful websites, and other valuable information. As a member, you can also log-in and post to the discussion forums to share resources and information to assist in keeping investigators safe and handle the influx in COVID-19 cases.
